

### Our New Dean, Ayşegül Toker: A Message from Sabancı Business School

Dear Sabancı Business School Community,

I am honored to become the new Dean of Sabancı Business School, succeeding Prof. Dr. Nihat Kasap. I would like to extend my sincere gratitude to him for his leadership and dedication to our institution.

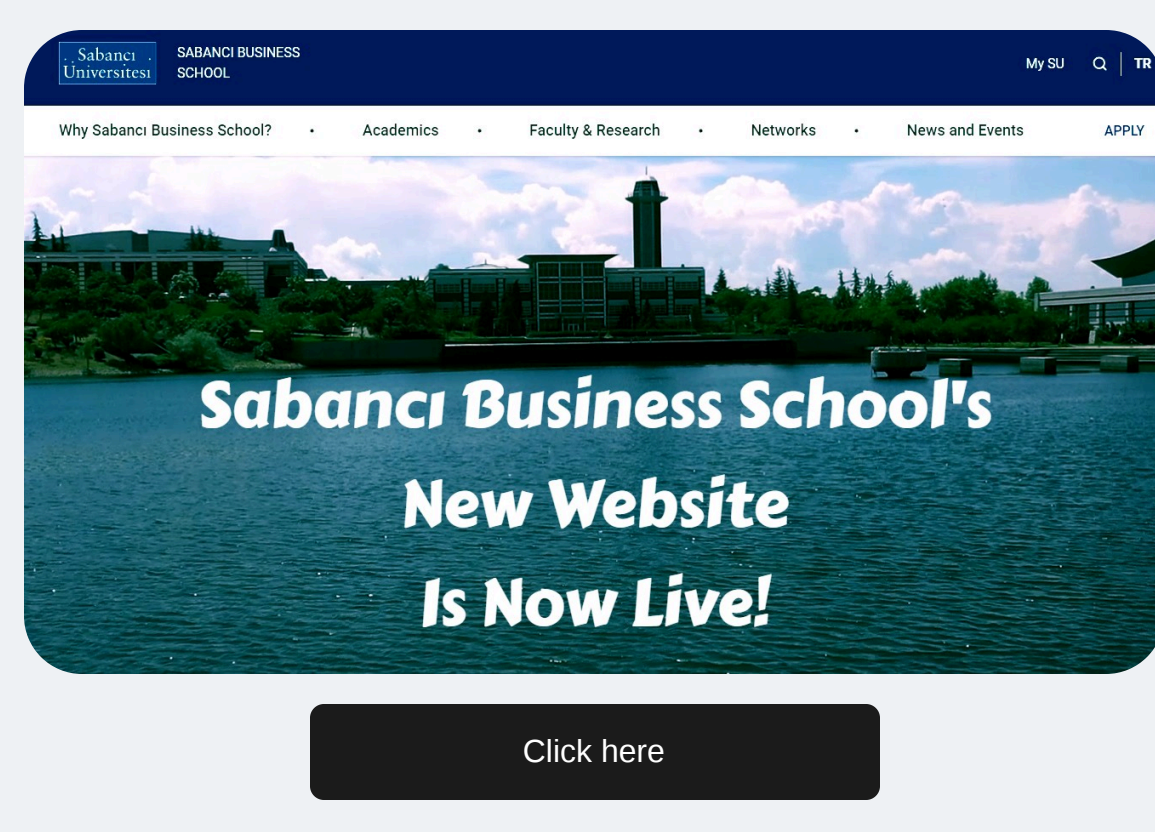

As we begin this exciting journey together, I am filled with enthusiasm and a deep sense of purpose. My main goal is to establish an environment that promotes academic excellence, empowers students to pursue their passions, and supports faculty members in their pursuit of impactful research and innovation.

Sabancı Business School has a long-standing tradition of nurturing leaders who have made remarkable contributions to society. I am fully committed to maintaining and advancing this legacy by fostering a culture of collaboration, inclusivity, and integrity. It is crucial to me that every member of our community is provided with equal opportunities to achieve their full potential.

I firmly believe that our most significant achievements lie ahead of us, and I am eager to collaborate with every one of you to shape the future of our school. Your insights, dedication, and passion are invaluable assets as we work towards our shared vision.

Thank you for trusting me with this profound responsibility. Let us embark on this journey with optimism, determination, and an unwavering commitment to excellence.

Warm regards,

### Success for Sabancı Business School: High Rankings in Financial Times

We are delighted to announce a significant achievement for Sabancı Business School: securing the 58th position in Europe in the Financial Times Executive MBA Ranking 2023. Furthermore, our Executive MBA program has reached an impressive milestone, securing the 81st position in the same prestigious ranking. This recognition underscores our program's leadership in various evaluated areas, further solidifying its position among the world's top business schools.

### Advisory Board Meetings of 2024

Advisory Board Meetings for our programs, including the Full-time MBA, Masters in Finance, Professional MBA, Professional Business Analytics and BA in Management were held February & March 2024. Advisory Board members actively engaged in discussions and provided valuable insight during these sessions.

### MBA

Our Full-time MBA Program has been restructured into a Part-time Professional Program. Classes will be scheduled in weekends and in the evenings on weekdays. The program is open to students with up to three years of work experience, including those with no prior work experience.
