Sabancı Business School Alumni Reunion 2024

Sabancı University Business School Graduate Programs Alumni Reunion 2024 took place on Thursday, May 9th, 2024, with an impressive turnout of over 140 alumni. The event commenced with a cocktail reception and a captivating stand-up comedy performance by Kaan Sekban. After the opening speech of Sabancı Business School Dean Ayşegül Toker, the event was followed by Kaan Sekban's stand-up show offering humorous insights drawn from his extensive professional experiences in the corporate realm.

Our Leaders' Meetings Series continues

Leaders Meeting with Avi Alkaç in April

We were thrilled to host the Leaders' Meeting event on our campus after a long time! This weekend, we had the pleasure of welcoming Avi Alkas, the chairperson of Alkas Consulting, along with our professional programs students. We extend our gratitude to Mr. Alkas for delivering an insightful speech on the shopping mall and retail sector in Türkiye. Additionally, we would like to express our appreciation to Kutay Kartalhoğlu, the CEO of CarrefourSa, and Orhun Köstem, the CFO of Sabancı Holding, for gracing the Leaders' Meeting event with their presence.

Leaders Meeting with Evrim Kuran in June

We welcomed Evrim Kuran to our Tuzla Campus for our professional programs, where she shared insights on business trends. She also discussed employee expectations, the future of companies, and various management models.

EMBA Peer Learning Event at Sabancı Business School

Executive MBA graduates met for a full day on June 2nd at Sabancı Business School for a Peer Learning event to learn from each other, discuss, and listen to different experiences. At the event, EMBA program alumni from various years, participated as speakers and listeners, sharing knowledge on topics such as Emotional Intelligence in Effective Leadership, Financial Markets and the Future of Investment Funds, and Leading Generation Z. Our professors, who attended alongside the graduates, offered supportive comments and recommended academic readings on these subjects. The event concluded with a dinner in the courtyard of Sabancı Business School.
